

Grand Strand Corvettes

The August meeting of GSC was held at Hanser House in Litchfield on August 16th at 5:00 PM. There were 19 members present.

Pres. Pat welcomed all.

Treas. David reported the treasury balance was \$2,172.89. The car show had 55 cars entered for proceeds of \$1100. Profit for the show was \$617.

Pres. Pat reported new members Bryan and Peggy Silverman.

He then mentioned the car show and Cars and Coffee. The next Cars and Coffee is September 6th.

Jason's House was busy this week with 11 families to be followed by 14 next week. We will need a good turnout of cars on Sunday as there are 10 families scheduled.

Future meeting locations will be on the web site after the server is fixed. The November meeting might be a trip to Second Sunday in Charleston. Information to follow.

Under new business, Pres. Pat said Mickey has volunteered to serve as nominating committee chair. He will seek two members at large to assist with nominations for the four officer positions. Incumbents wanting to continue in office should contact Mickey. Those wanting to run far away need not contact Mickey.

Several possible trips were discussed. Sam will research possibilities. Suggestions included wineries, over night to Savannah, additional Hobcaw tours and South Port. Pres. Pat mentioned the Hanser House is having a seafood festival November 14th if any members are interested.

Sec. Dick said Larry was kind enough to donate window stickers with the club logo on them for our cars. They look great but you need instructions on how to apply them. Take the backing on the sticky side off first then place the sticker on the window and press before removing the back backing.

Pres. Pat ended the meeting by reporting we now have 54 members. The

meeting was adjourned at 5:30 and was followed by good fellowship and a good meal.
