What lovely yellow Corvettes! Can you name the generations?

## Take Me Out To The Ball Game!

What could be better than baseball, hotdogs, and Corvettes? The Club took a short trip to watch the Myrtle Beach Pelicans play the Potomac Nationals on the evening of Sunday, May 18th. We started with a short meeting and then an all-you-can-eat picnic dinner at the ballpark. After plenty of food, we took our seats on the first base side of the field and cheered the Pelicans on. The tenor of the game matched the on-and-off light rain as the Pelicans lost to the Nats by a score of 4-2. Despite the rain and the loss, a good time was had by all as can be seen in the pics. Let's do it again sometime soon!

## Club Charities

Our club is proud to support the following local charities:

### THE MIKE CASEY TOY RUN

The Club collects new toys and delivers them en mass with other local Corvette clubs to the US Marine Corps Air Station in Jacksonville, North Carolina, in time for Christmas.

### SCENTS FOR SOLDIERS

The Club meets a bus-load of US Wounded Warriors from Walter Reed Army Hospital and escorts them to Myrtle Beach, providing individual soldiers with rides and company along the way.

### JASON'S HOUSE

The Club offers Corvette rides to the seriously ill children who participate in Jason's House while their parents are registering and getting instructions for the week. Jason's House is operated by the Surfside United Methodist Church.

You can find pictures of recent charity work on the club website:
