

About Face! Can you name the generations from the rear?

Cruise-In @ Maggie D's

On Saturday, 5/24, John (owner of Maggie D's Restaurant and Club member) sponsored a Cruise-In for all car enthusiasts. Cecil Chandler and his Cruise-In Show provided music and laughs and the car buffs provided the sights. You can see from the pics that GSCC was well represented on this beautiful day in May and the event was well attended. Look at those beautiful cars!
