We can all see these are C1's...1953-62. Can you guess the exact year just from the photos?
The key will be provided in the next issue. Can't wait? Too bad...and no googling!

July 2014 Club Meeting

On Sunday, 7/13, 18 members driving 8 Corvettes rendezvoused at the Hanser House Restaurant in Litchfield at 4pm for dinner, a meeting, and fellowship (*not necessarily in that order*).

Several guests attended our meeting and the birthday boy, Pat's 8-year-old grandson, received a hearty Happy-Birthday-To-You from the members and a birthday cake from Gramps! (the cake was great!)

Club business focused on the The August Car Show, the baseball game, and a new website/meeting opportunity.

The baseball game, for those who have already purchased tickets, is Sunday, July 20th. We will meet at 4pm at the ballpark. The gates open at 5pm for dinner (all-you-can-eat picnic stuff) and the game starts at 7pm. Bring your appetite and your glove...1st-base-line is a great place to shag foul balls!

The Car Show will be held on Saturday, August 2nd, at Camping World in Surfside Beach (located behind the Micky D's near the stoplight at 544 and Bus. 17). Registration starts at 9am, but all members are asked to be present no-later-than 8am to get set up and ready to roll.

Pat told us about a new place to gather on 1st & 3rd Sunday mornings for some car-talk: Cars and Coffee - Myrtle Beach (carsandcoffemb.com). Everyone is invited to meet at *The Bagel Factory* (owned by a member) on US 501 for a free cup of coffee and plenty of talk with other car enthusiasts. We might learn something, and there's the chance to show non-vetters the error of their ways!

Great cars, huh?

The yellow Vettes are *particularly* handsome!

The red ones are OK, too.

Next issue? The Baseball Game!
