Ball Game and Cruise-In

On Sunday, 7/20, 15 club members and guests gathered at Ticket Return Park in Myrtle Beach for an all-you-can-eat picnic dinner and to watch the the MB Pelicans play the Carolina Mud Cats (Zebulon, NC). It started warm and humid and stayed that way most of the night. The food was OK (burgers, dogs, beans, slaw, cookies) and there was plenty of it.

Before the game, the Shark was 'coptered in and the Pelican had a seizure. He was stretchered out, but made a speedy recovery and was soon back to torment us for the rest of the game. The game was fair (Pelicans lost 4-3) but they did make it close at the end. There were fireworks to end the night and most left feeling they had gotten their \$ worth. Next time we'll hope for lower humidity and temps! Maybe another game in September?

On Saturday, 7/29, several members participated in a Cruise-In at "NATIONAL HEALTH CARE NURSING HOME" in Murrells Inlet on 17 Bypass. These were obviously the best looking cars there! There's a "ringer," however. Which 'Vette is NOT from GSCC? Thanks for the pictures, Mickey!
