The C6's were built for 9 years: '05 -'13. Can you name these great cars by year? No googling

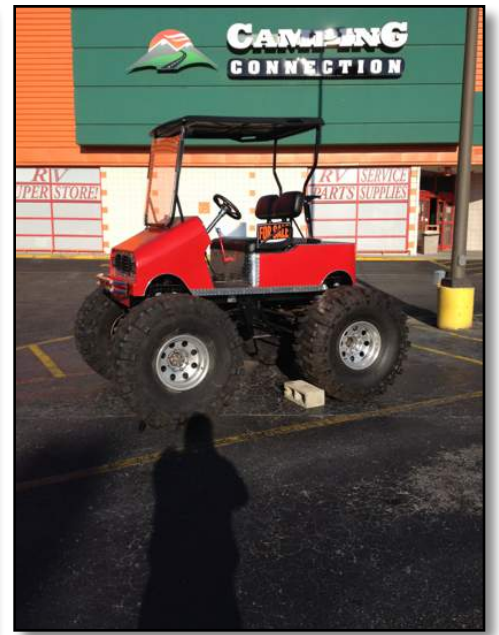

# Car Show...SUCCESS, Finally!

On Saturday, 11/15, Camping Connection and GSCC co-sponsored the 2.5 Edition of our Annual Car-Camper-Golf Cart Show in Surfside Beach. Rescheduled from 8/2, the day dawned bright and clear but a little cool (temp in the 30's). Nevertheless, 42 car and cart enthusiasts brought a variety of classic, contemporary, and "funny" cars/carts to drool over. Many were high on the "Droolable Scale" and everyone was quite pleased with the number and the variety! Did anyone purchase those suped-up golf carts?

The winner of the 50/50 raffle donated his half to Jason's House, and, with the three-car-over-the-break-even number, the total donation to Jason's House (run by Surfside United Methodist Church) should be around \$400. Many thanks to participants and helpers who made the car show a success!

In addition to the Vettes driven in by GSCC members, there were several others of note. All the Corvette generations were represented in the show except for C1. A 1950-something drove through the lot but did not stay...thankfully (it was in terrible condition). Can you pick out the 6 generations?
