Holiday Festivities

On Sunday afternoon, 12/14, members in 7 'Vettes and 3 civilian cars rendezvoused at the Food Lion at 707 & 17S to caravan to the Holiday Party at The Mahany's, south of Pawley's Island.

After waiting to be cleared at Customs, we made our way through Debbiedo to the home of our host and hostess. Where is the valet parking when you really need it?

The venue was superb, the food was excellent, and the fellowship was special. We even got some bid'ness done!

Man of the Hour

After the brief business meeting, we all received a surprise present. Our good friend, Sam Coccia, volunteered to be Activities Director of GSCC for the coming year. He was immediately confirmed by unanimous vote. You can see the pleasure in his face as he accepts our thanks for his stepping up!

Legends Christmas Show

On 12/15, Johnnie welcomed 16 club members to his restaurant for the pre-Christmas Show feast!

After dinner, we drove the short distance to **Legends** on 17 By-Pass and experienced a very good holiday show. The Rat Pack (Dean Martin, Sammy Davis Junior, and Frank Sinatra) and Marilyn Monroe were quite entertaining! Little did we know that one of the stars of the show would be a club member. Dave, now and forevermore to be known as Dicky Doo-doo, stole the show and gave us the biggest laughs of the night. He doesn't look like he is in too much pain during his stage premier, huh?
