Velocity Yellow Tintcoat [Yellow]

Here are the answers to the exterior colors quiz.

1953 was not part of the quiz because you could have any color you wanted as long as it was Polo White.

# June Activity #2 - Pelicans Baseball

On 6/21, 16 members met at [TicketReturn.com](http://TicketReturn.com) field for a Myrtle Beach Pelicans baseball game. The evening started with an all-you-can-eat picnic-buffet and continued with an exciting ballgame. Pat provided the pictures and even managed to catch the scoreboard's welcoming message for the GSCC!

# July Meeting - A Cookout

On 7/19, the July GSCC meeting was held at John and Michelle Magliato's house in Myrtle Beach. As you can see there was a great turn-out. The food was excellent, the fellowship was hearty, and plans were made for the Car Show to be held on August 1st. Many thanks to Laura Colbert and Pat Hicks for the pictures! There certainly is a plethora of C7's visible in the pics...go figure.

Many thanks, John and Michelle!
