The June Meeting

Maggi D's Restaurant was the venue for the June 16th GSCC meeting. Twenty-four people in 13 Vettes showed up for one of the best attended meetings ever. After a great period of fellowship, the business meeting was kicked off by Pat. Dave presented his Treasurer's report (about \$2300 in the bank after a few bills were paid and dues were received) and Pat filled us in on the August 2nd Car Show to be held at the Camping Connection in Surfside. Lots of members will be needed for the Car Show on 8/2, from 8am-3pm...please put it on your calendar now! A typically great meal from Maggi D's followed and was topped off with his trademark Italian pastry...cannoli's. Thanks, for everything, John!
