Jason's House - 2014

On Saturday, 6/21, The Club's summer-long commitment to our primary charity, Jason's House, continued. On a hot, humid, August-like day, five cars and six members waited in the Surfside United Methodist Church parking lot to, hopefully, brighten the lives of three critically/terminally ill kids with a ride in a Corvette. For some unknown reason, the first two kids chose to ride in Micky's new C7, despite the presence of 4 other more colorful and attractive options...there's no accounting for taste, huh?

Here's the schedule for the rest of the summer:

- Sunday, July 27 - 1 family
- Saturday, August 2 - 3 families
- Sunday, August 3 - 1 family
- Saturday, August 9 - 2 families
- Saturday, August 16 - 5 families
- Sunday, August 17 - 6 families
- Saturday, August 23 - 12 families
- Sunday, August 24 - 6 families
- Saturday, August 30 - 2 families
- Sunday, August 31 - 3 families
