

The Very First SUPPLEMENT

NEWSLETTER

As the first GSCC member to use the embroidery services of *Carolina Girl & Guy* for the club logo, I thought I should report on the event. I placed the order on a Thursday and the two items were ready on Sunday afternoon. The cost to purchase the yellow cap was \$6.95 (quite reasonable). They placed a 2" logo on the cap and a 3" logo on the shirt for \$10 each. The staff was pleasant and I am quite satisfied with the results. The embroidery is washable, according to the staff, so it should last for a long time. Good choice of logo providers Pat!
