

Stingrays!

The C3's were made from 1968 to 1982. Although it's the third generation Corvette, it's the second generation of the Corvette Stingray. What were the first Stingray years? Answers later!

After the Storm...Jason's House

On Saturday, 8/16, five members and three Corvettes showed up at the Surfside United Methodist Church to participate in our main charity...Jason's House.

Four families were registered and a bunch of kids were given rides in the best looking cars at the Beach!
