1. On Saturday, 10/4, several members participated in a Cruise-in at the Bucksport Marina. How many Corvettes do you see? Is that a C7? 'Twas a beautiful marina day, but who's thinking about boats?

2. The second Car-and-Coffee gathered at The Bagel Factory (owned by a GSCC member) off 501 on a sunny Sunday morning (10/5). As you can see, a bunch of people and cars showed up for free coffee and lots of car-talk. There are those great looking 'Vettes... and some other nice cars, too.
