October Club Meeting

On Sunday, 10/11, 17 members driving 8 corvettes showed up at The New China Buffet on 17 Business 17 in Surfside Beach for the monthly club meeting. Most of the pre-meeting time was spent ogling Maynard's spiffy new coupe. As Pat said, "Who thought having a C6 would put you in the 'classic' car bunch?" Not me!

The Chinese buffet was a nice change-of-pace and everyone seemed to enjoy the meal. Exactly how many different ways are there to fix chicken?
