Here are the correct answers to the Headlights Quiz in the last issue. Are these getting easier?

# A Busy Weekend

The weekend of 2/28-3/1 was a busy one! From the Cruise-In at Creek Ratz (Murrells Inlet) to Cars-and-Coffee (off 501), club members were zipping around all over the region. Here are some photos (Thanks, Pat!) of the fun parts.

## In Memoriam - Jim Summey

Ten members of GS Corvettes showed up Saturday afternoon, 2/28, on a cold, windy beach to say a final goodbye to fellow member Jim Summey. Jim, always a regular at meetings and Jason's House, was laid to rest on the same beach where his wife Betty departed. The group of friends recalled Jim's life and deeds. Mainly what I remembered about Jim was his enjoyment at club functions and his devotion to fellow members. He was always first to arrive for Jason's House and last to leave. Once he even stayed as I sped away, to face the local police as I am sure they were there because I made too much noise racing the kids around the lot. Jim will be missed by many but truly missed by Grand Strand Corvettes and Jason's House.
